The Quest for Mercy

The forgotten ingredient in health care reform

by Roger J. Bulger, MD, FACP

Roger J. Bulger, MD, FACP is President of the Association of Academic Health Centers in Washington, DC. He has published scores of papers and chapters, as well as three books on subjects ranging from infectious diseases to medical education, humanities, Hippocrates, and, of course, academic health centers.

The Quest for Mercy is aimed at physicians, including young physicians and medical students. The book addresses managed care and managed cost, sickness and healing, hope and despair, relationships, oaths, populations, prevention, and patients.

"This book will become a classic."
